### ***Claim Rejections - 35 USC § 112***

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 24-28 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claim 24, it is not clear if the putter is claimed as part of the invention. Claim 24, figure numbers should not be claimed as part of the invention, i.e., 48. Claim 28, the specification does not include more than one spring. Applicant is required to provide details with regard to the springs.
